

NORTHERN New Mexico College

Admissions Application Packet for International Students (Non-Athletes)

Application Deadlines:

Fall Semester: *May 1*

Spring Semester: *October 1*

Summer Session: *March 1*

Please make sure you include all the checklist items below in your packet. Email all items together to admissions@nmmc.edu.

Application form

The Certificate of Financial Responsibility Form (see form included on page 4 and 5)

The issuance of visa paperwork requires proof of adequate funding. The grid on the back of the certificate form must be completed so we can see the sources and amounts of support for one academic year (Fall and Spring semesters) you will be at Northern. Any personal or family support for the first year must be in liquid assets (money from the bank). Personal or family support for subsequent years may come from whatever source is appropriate. Family sponsors must sign under "verification", near the bottom of the certificate, signifying their willingness to contribute the stated amounts to your support. **You, the student, must also sign and date this certificate.**

We need supporting documentation of all the funding that you and your sponsors declare on the certificate. Bank statements must come directly to us from the bank; certification of yearly income must come from the employer; business profits should be shown on copies of tax returns, etc. to verify the amounts states on the certificate.

Proof of English Competency

If English is not an official language of your country of citizenship, part of your admission requirement is that you provide proof of your ability to function within the setting of English-only classes. There are a variety of test instruments which are acceptable to demonstrate your abilities;

1. **TOEFL iBT** Minimum total score of 80; not less than a 20 in **each** area (Writing, Speaking, Reading, and Listening) Paper-based tests are no longer acceptable.
2. **IELTS** Test Type 2 (Academic) 6.5 min. score (www.ielts.org)
3. **Duolingo English Test** Minimum score of 115 (<https://www.englishtest.duolingo.com/applicants>)
4. **High School diploma** issued by an accredited high school in the United States.

Proof of Academic Competency

In order to meet admission requirements, you must demonstrate that you have completed secondary school by having the school provide us with an official transcript directly from the institution. Non-English transcripts must be accompanied by a certified English translation such as InCred (<https://www.incredevals.org/>), which will be required for NAIA eligibility.

College transcripts: If you are now attending or *have ever* taken college-level courses, we must receive an official transcript from **each** college attended.

Proof of Insurance (Major Medical coverage)

One of the costs which you must incur is the purchase of a major medical insurance policy. If you do not already have such coverage, you will have to buy a policy that will cover you while in country. **The policy must have an expiration date of no less than one year from the date of issue.** We must require this because both state law and federal regulations require that you fully support yourself while studying in the United States.
